VOTE DAMI FOR BUSINESS AND LAW

THIS IS MY PROPOSAL FOR YOU

Value for Money/Refunds

- Lobby the government through the National Union of Students to provide refunds for student who have received low value for money.

Employability

- Embed industrial collaboration into the curriculum tailored to enhance your learning objectives
- Increase obtainability of placements and shadowing scheme.

Mental Health

- Organise campaign to increase self-awareness and destigmatise mental health issues.
- Double the number of social activities to make up for last year- including fresher
