

My name is Samia Tariq and i am a second year law student at the University. I am nominating myself for this role as I believe in the rights of all students at the university of salford. I believe in working together to create a safe and a happy environment for students. It is important that students at the University feel that their needs and wants are provided to them, and they receive the full support to help them become a successful student and achieve their aims at the University.
