Emily Voss-Bevan
Ebony Bonavia
Rob McCann
Toni Meredith
Lucy Roberts
Sarah Mercer
Mark Potgieter
Hazel Taylor
Jen Rigby
Ugo Onuoha
Hagith Kasinathan Hari
Moe Ahmed

Apologies from Denizen rep, Shannel Katerere.

1) Actions from the last meeting:

CLV and the Students' Union will work together to promote an awareness campaign on social media about damaging property and health and safety issues.	Action: Alice will contact Lucy regarding a general awareness campaign to students.
CLV will put up signs next to the sinks for health & safety purposes, due to the hot water.	Action: This is ongoing, and should be completed promptly, for students' health & safety.
CLV and the Denizen reps will look for storage space in John Lester & Eddie Colman to accommodate more hoovers.	There are now more hoovers, but currently no extra storage space.
Shannel Katerere will provide details so CLV can follow up with a student regarding communication issues.	Not completed

CLV will contact the student in question regarding the layout of bedrooms in John Lester & Eddie Colman.	Completed
CLV will look into a possible inclusion of a one-off charge for postage for the next academic year. The University will also work with CLV regarding a central mail centre on campus.	This action is ongoing.
The Denizen reps will speak to students for their feedback regarding the Village Life events, and CLV will look into conducting a survey of students who have attended the events.	Students like events such as the hot chocolate evenings, and would like to see more informal events such as this, and games nights.

2) Issues raised by students:

a. Noise Complaints:

A student had submitted an issue regarding a noise complaint in Ranulf block in Peel Park Quarter. CLV were aware of the issue in question, and had followed this up.

b. Insects:

The issues of silverfish in John Lester & Eddie Colman is still ongoing. This is covered by their contract with a pest control company, so when this occurs, provided students report it, the issue will be dealt with.

3) Any other business:

a. Give Sport A Go:

The Students' Union's Sports Participation Coordinator has requested that CLV register the number of students playing table tennis in Peel Park Quarter, as part of the Give Sport A Go programme. **Action:** Toni will follow this up.
